Libraries Need Friends!

Friends extend a library's capacity through advocacy & building community awareness, fundraising, and volunteer & program support.

Why Become a Friend?

Libraries need ongoing support, and that's where you come in. As a "Friend of the Library" you can help with activities that are not readily accomplished by library staff or library board members.

- **Advocacy**
- **Fundraising**
- **Community Volunteer Opportunity**

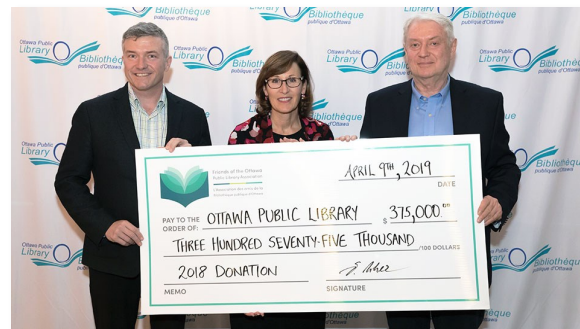

Being a "friend" today supports the original criteria required for securing a Carnegie grant for the Port Hope Public Library back in the 1900s:

A demonstrated commitment by members of the community to raise additional funds and support for a new library.

The time is right to create our own local "Friends of the Library" for the Port Hope Public Library. We need community volunteers to support and promote library services, and to fundraise for enhancements to the library.

Friends Across Canada

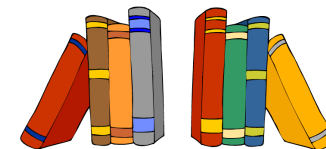

- Friends of the Library in Ottawa donated \$375,000 in 2018 through a campaign that included developing and publishing a youth literature anthology to be sold to raise funds.

- Friends of the Mississauga Library System offers a "Library Education Award" to support Mississauga residents who are pursuing a career in Library and Information Science.

- The Calgary Friends operate a store that sells merchandise as well as books.

- Peterborough Friends of the Library runs a semi-annual book sale. Over \$10,000 was raised at their sale in March 2019.

- Oshawa FOL partners with CINEFEST DURHAM to screen TIFF movies in support of special projects at the library.

- Belleville's FOL group has raised over \$250,000 since 1997 for equipment and collections.
